

U.S.S.N. 10/050,322

Remarks

Thorough examination by the Examiner is noted and appreciated.

Claims 7, 11, 26, and 32 have been amended to overcome Examiners objections to claim 32, rejections of claims 7 and 11 under 35 USC Section 112, second paragraph, and correcting a typographical error in claim 26 to place the claims in better form and remove issues on Appeal. A notice of Appeal has been filed on or about 08/30/2004.

In the event that other amendments may be made to place the claims in better form for Appeal or for any other reasons, the Examiner is respectfully invited to call the Applicants' representative at his Bloomfield Hills, Michigan office at (248) 540-4040 such that necessary action may be taken.

Respectfully submitted,

Tung & Associates
